vs.	§	NO: WA:14-CR-00189(14)-ADA
	§	
(14) COLBY CLAY WARREN	§	

ORDER ACCEPTING REPORT AND RECOMMENDATION
OF THE UNITED STATES MAGISTRATE JUDGE

Before the court is the above styled and numbered cause. On May 28, 2025 the United States Probation Office filed a Petition For Warrant or Summons For Offender Under Supervision for Defendant (14) COLBY CLAY WARREN, which alleged that Warren violated a condition of his supervised release and recommended that Warren 's supervised release be revoked (Clerk's Document No. 1601). A warrant issued and Warren was arrested. On August 27, 2025, Warren appeared before a United States Magistrate Judge, was ordered detained, and a revocation of supervised release hearing was set.

Warren appeared before the magistrate judge on September 9, 2025, waived his right to a preliminary hearing and to be present before the United States District Judge at the time of modification of sentence, and consented to allocution before the magistrate judge. Following the hearing, the magistrate judge signed his report and recommendation on September 10, 2025, which provides that having carefully considered all of the arguments and evidence presented by the Government and

Defendant, based on the original offense and the intervening conduct of Warren, the magistrate judge recommends that this court revoke Warren supervised release and that Warren be sentenced to imprisonment for SIX (6) months, credited for time already served in federal custody, with no term supervised release to follow the term of imprisonment. The Court finds that a departure below the sentencing guidelines is justified given the underlying facts of the alleged violation, which resulted in the state charges being reduced to a single misdemeanor and the defendant serving ninety days in state custody (Clerk's Document No. 1615).

A party may serve and file specific, written objections to the proposed findings and recommendations of a magistrate judge within fourteen days after being served with a copy of the report and recommendation, and thereby secure a *de novo* review by the district court. *See* 28 U.S.C. § 636(b); Fed. R. Civ. P. 72(b). A party's failure to timely file written objections to the proposed findings, conclusions, and recommendation in a report and recommendation bars that party, except upon grounds of plain error, from attacking on appeal the unobjected-to proposed factual findings and legal conclusions accepted by the district court. *Douglass v. United Services Auto Ass'n*, 79 F.3d 1415 (5th Cir. 1996) (*en bane*). The parties in this cause were properly notified of the consequences of a failure to file objections.

On September 9, 2025, following the hearing on the motion to revoke supervised release, all parties signed a Waiver Of Fourteen Day Rule For Filing Objections To

Report and Recommendation Of United States Magistrate Judge (Clerk's Document No. 1614). The court, having reviewed the entire record and finding no plain error, accepts and adopts the report and recommendation filed in this cause.

IT IS THEREFORE ORDERED that the Report and Recommendation of the United States Magistrate Judge filed in this cause (Clerk's Document No. 1615) is hereby ACCEPTED AND ADOPTED by this court.

IT IS FURTHER ORDERED that Defendant (14) COLBY CLAY WARREN's term of supervised release is hereby REVOKED.

IT IS FURTHER ORDERED that Defendant (14) COLBY CLAY WARREN be imprisoned for SIX (6) months, credited for time already served in federal custody, with no term of supervised release. The Court finds that a departure below the sentencing guidelines is justified given the underlying facts of the alleged violation, which resulted in the state charges being reduced to a single misdemeanor and the defendant serving ninety days in state custody.

Signed this 11th day of September, 2025.
